

6. What is your group's opinion about which gender has easier life – girls or boys? Why?

boys: history, stronger, easier life, more expectations

girls: body image changes, changing

7. What is your group's opinion about who has to do cooking, cleaning and household chores? Why?

both, because it's easier but women have a natural instinct to do the  
why divide; if everyone can do it?

8. What is your group's opinion about men who cry?

it's okay, natural, everybody is allowed to show their emotions

9. What jobs can do women but not men?

everybody can do almost everything apart from becoming a  
surrogate mother

10. What jobs can do men but not women? Why?

everything but working with heavy things

11. If both parents work outside the home, how should be housework chores divided?

equally distributed, the same
